

**Title of Project:** *Patient health literacy and computer access assessment*

**Principal Investigators:** Dr. William Livingood, Senior Research Scientist, Office of Research Affairs  
Dr. Chris Scuderi, Clinical Associate Professor, Family Medicine  
University of Florida College of Medicine-Jacksonville

1. **Purpose of the Study:** The purpose of this study is to assess patient literacy and computer and internet access for patients of UF Health Primary Care clinics to support efforts to adapt emerging technology for improving the efficiency and effectiveness of patient care.
2. **Procedures to be followed:** You will be asked to answer approximately 10 questions and read 9 words.
3. **Duration:** It will take less than 5 minutes to complete the survey.
4. **Research Benefits:** There is no direct benefit to you for being in this study. There may be a benefit to others depending on the results of this study.
5. **Research Risks:** There is no foreseeable risk for you by participating in this study.
6. **Statement of Confidentiality:** Your participation in this research is confidential. The survey does not ask for any information that would identify who the responses belong to. In the event of any publication or presentation resulting from the research, no personally identifiable information will be shared because your name is in no way linked to your responses.
7. **Right to Ask Questions:** Please contact Dr. William Livingood at (904) 244-9203 with questions or concerns about this study.
8. **Privacy Authorization:** Your medical information will not be connected with the information obtained during this study.
9. **Voluntary Participation:** Your decision to be in this research is voluntary. You can stop at any time. You do not have to answer any questions you do not want to answer. If you choose not to take part, this will have no effect on your current or future health care at Shands Hospital at the University of Florida. If you have any questions about your rights as a research subject, you can phone the Institutional Review Board at 352-273-9600.

Participation in this study and answering the questions implies that you have read the information in this form and consent to take part in the research. Please keep this form for your records or future reference.
