**GME Update:** Dr. Zenni reported on upcoming accreditation activities. Annual program evaluations have been submitted. The annual institutional review is on June 16. There is national concern about the impact of the pandemic on medical education; specifically, there is concern about medical student readiness for residency, residents' readiness for fellowship, and all graduating residents' and fellows' readiness for practice. The ACGME has a tool box of recommendations and resources for program directors. The academic media room is open and information is available on the website. New manager for CREATORS has been hired. There will be a virtual session with the Chief Diversity Officer for the ACGME on May 26.

**UGME Update:** Dr. Zenni stated that the new academic year for the College of Medicine begins on May 9. Many students will be on their first clinical rotation.

**Research Update:** Dr. Parker stated that total funding through the last quarter is \$30 million. Dr. Balaji reported on his basic science research project. Dr. Parker stated that workforce recruitment and retention is an issue on both campuses. Mrs. Bottini stated that the network and footprint has been expanded to the North campus and Wildlight.

**Development Update:** Mrs. Jones reported on the fundraising operation and upcoming events. The Night for Heroes event was a great success. Total funding to date is \$7.74 million. There will be a reception on June 7 at the Hyatt honoring distinguished alumnus and key faculty retirements where Dr. Thomas Chiu will receive the Distinguished Alumni award.

There being no further business, the meeting adjourned at 3:50 p.m.
